Mr. Jacob Fisher

Dear Mr. Fisher:

Thank you very much for your kindness in forwarding me a copy of your book, "The Art of Detection." I have read it with a great deal of interest, and I must assure you that, not only will it be a part of my personal library, but the book will be a "must" for the official library of this Agency.

Again thanking you for your kindness, believe me,

Sincerely,

Signed & dispatched 8/27

Note for record: Ltr 8/19 from Fisher:

"Dear Admiral: A few months ago my book THE ART OF DETECTION was published by Rutgers University Press. I have instructed them to send you a copy, and I hope you find it desirable enough to be a part of your library."
